ZAVODIL: 3 years IOST: collaboration with Chinese Government, NFT distribution	Blockchain celebrates 3 years from the launch, announcing several news: the distribution of NFT tokens, by collecting which you can get an additional prize. IOST representatives spoke to the Chinese government with an educational lecture on the future of the blockchain. In Japan, they will use IOST to organize parliamentary party elections and in the medical data collection service. A strategic game has been launched in a pirate setting with a well-designed economy, where you can hire new captains for tokens, earn resources and withdraw tokens.	23.06.2020	<a href="https://youtu.be/qYKctJPMRHc">https://youtu.be/qYKctJPMRHc</a>	1142 views
